PURPOSE:

To provide the Commissioner with information regarding concurrent Support Freedom Convoy events in Manitoba

ISSUE:

Freedom Convoy Support demonstrations are continuing in Manitoba.
Update for February 16th 2022 1500hrs.

BACKGROUND:

The Support Freedom Convoy was created as a means for truckers and others to demonstrate against cross-border Covid vaccine mandates and in support of the Freedom Convoy in Ottawa.

CURRENT STATUS:

As of 1200hr the protesters at the Emerson POE began departing with out issue. The POE will be resuming normal operations this afternoon. All other POEs within Manitoba remain open and have no protest activity.

RCMP resources remain in the area to monitor for any future protest activity/liaise with CBSA on POE operations.

OTHER KNOWN/PLANNED EVENTS:

As of 2022-02-16 the demonstration/occupation at the Manitoba Legislature remains in place despite organizers having made an announcement on demobilizing the demonstration.

It should be noted that under the Manitoba PSA, should the Winnipeg Police Service request support for potential enforcement action, as the Provincial Police force, D Division would be required to deploy resources per their request.

Information is coming in on another large truck convoy moving from Western Canada and believed destined to support the Ottawa blockade. This group is anticipated to arrive in the Winnipeg area later this date.

D Division is actively monitoring and will report on movement/activity of this convoy. Update as of 1430 information gathered that this is a relatively small "supply convoy" of 15 to 20 persons with a truck and trailer, RV and a passenger bus.

It is anticipated they will arrive in the Winnipeg area around 1600hrs. Updates to follow.

STRATEGIC CONSIDERATIONS:

Situations are on-going and will be continuously monitored. At present D Division has sufficient resources available to manage these events.

D Division Communication is engaged with prepared messaging for the public and responses to media inquiries.
